EMPLOYMENT

FINLAND January 2018 to date

I currently work for JKMM ARKKITEHDIT OY, Helsinki

The office is one of the most successful and respected contemporary architectural and interior design practices in Finland, having realised some of the countries most renowned buildings

FINLAND October 2006 January 2018

I worked for PES ARCHITECTS LTD, Helsinki

I worked on a diverse range of medium to large scale public and infrastructure projects in Finland, China and Russia

UK August 2002 September 2006

I worked for The BERNARD TAYLOR PARTNERSHIP, Manchester

The practice focuses on historical building renovation and redevelopment, ecclesiastical buildings as well as cost effective high-quality design

ENTERPRISE

December 2008 to date

I set up my own Toiminimi (Proprietorship): UUSlark

I have completed several residential PROJECTS in Southern Finland costing upto 100 000€, collaborated in several design COMPETITIONS and been involved in the creation of both 2D & 3D VISUALISATIONS

In 2013 I was a founding member of the SAUMA COLLECTIVE of young Architects in Helsinki

UK May 2003 to October 2006

I won a variety of small FREELANCE contracts involving the design and statutory certification of a variety of loft conversions and/or extensions in the City of Manchester, costing upto £30,000

EXPERIENCE

October 2015 to October 2016

I was the CHINA OPERATIONS MANAGER for PES Architects Ltd, based in Helsinki. This involved managing a variety of projects in different design phases and regular travel

In 2015 I co-authored a chapter in a book focused on green space, public space and urban planning, named; Uusi Helsinki? The chapter titled; Meri Rastila – PROGRESSIVE DENSIFICATION OR THE EASY ALTERNATIVE is one of eleven and questions Helsinki's Master-Planning policies and processes

2013 - 2016

I was a founding member of the MARGARIINITEHDAS CO-OWNERSHIP HOUSING PROJECT Helsinki which aimed to convert a dilapidated factory into 20 "RAW SPACE" apartments and to build a new communal building

February 2011 to February 2013 (January to June 2012)

I was the secretary of the MEIDÄN OURCITY ry Association which through its OURCity project was an official part of the World Design Capital, Helsinki 2012 programme. I co-ordinated THE ALTERNATIVE MASTER-PLAN FOR MERI-RASTILA, which was a PARTICIPATORY PLANNING PROJECT

September 2004 to January 2005

I took part in the Teknillinen Korkeakoulu EXCHANGE PROGRAM (The Helsinki University of Technology, Finland, now Aalto University)
